Steve was born on October 29, 1961 in Little Falls, MN to Curtis "Curt" and Lila (Thompson) Drager. He grew up in the Swanville area, graduating in 1980. His great work ethic and desire for perfection showed in his projects. Throughout the years, there wasn't a job he couldn't handle. When help was needed...call Steve. A year ago, his dreams to own his own business came true. He and his son purchased Opatz Motor Services, a job he could do in retirement. Steve loved his family, work and helping solve problems. He will be greatly missed.

“ We were honored to know Steve as both a coworker and a friend. Steve worked with us on several projects at Liberty Electric. He had a strong work ethic and knowledge of the Electrical trade. He could do any job that was required and would work until it was completed. Everyone that met Steve became a friend. He was also a strong foundation for his family and his presence will be forever missed. We send our sincere condolences to his family, especially his boys and his brother Scott.
