“ *Sylvia was a blessing to me many years ago when I lived in Hugo, and Forest Lake, MN. We both attended the Assembly of God Church in White Bear Lake where my brother, James Gast, pastored a few years before I moved to that area.*

*Eileen Bayless and Sylvia helped me find a job in Forest Lake, MN.*

*One hot summer day I visited Sylvia and her family; she served us some hot chocolate cake, right out of the oven; her husband drank hot coffee with the cake, and I asked him how he could drink something hot while it was so hot outside. It said something to the effect that since it was so hot outside, it did not matter to him. But, personally, I think what he meant is that it made him sweat more which actually helped him cool down.*

*Sylvia helped me through a very rough time in my life!*

*Soon after that I moved away, and my life changed. I started a new chapter. I am now doing missionary work in Haiti.*

*May GOD be with the family members and friends of Sylvia.*
