“ *Tara Kay, I am sorry I could not say my goodbyes to you. But, you were in my thoughts the whole day. My memories of you, when we were just kids will remain in my heart. You & I were always close as kids, then teens. You you guys moved to the cities, I missed you a lot. Then in the late 90's you & I worked at the casino together, cleaning the casino and having fun doing it! I miss you so much, I am happy for you to be with your Mom & Dad, brothers & sisters, plus happy that you are not in any more pain.*
