“ *I just learned of the passing of Tom today from a coworker here in Washington state, who used to live in Swanville. I went to College with Tom in Brainerd in the mid '70s and we also worked together at a landscaping firm in Long Lake and shared an apartment in Corcoran, MN for a short time. Even though I hadn't seen Tom in nearly 40 years, I have nothing but happy memories of him. My deepest sympathies to his family and friends closest to him.##imported-begin##Rick Ulbricht##imported-end##*
