“ My deepest condolences go out to your family, your babies, and your grand babies. My good friend, you are going to be missed by so many. Your smiling face, your happy self, your jokes, your pics of you and your grand babies, your food, and your snapchat pics! Mostly, I am going to miss my Thomas.

I keep thinking about how far we go back and I remember we made bets on who would have babies first. Who would be married first, grandmas etc. Riding around in circles on the rez for hours lol. So many memories with you that I'll never forget.

May you rest in peace in the land of ever lasting happiness. Fly high my sweet friend.

My heart is sad to see this.  
Tina, Linda, Janine & I did a trip to Vegas right after she turned 21...  
Omg we were at the Rivera seeing a show with impersonator and Tina stands up and yells "Is that the real Micheal Jackson?" She almost got us kicked out! We had a lot of laughs.  
Fly high my friend on your new journey.
