

Vernilda 'Vernie' Mohr

February 24, 1917 - February 11, 2013

Vernie was born on February 24, 1917 in Brookville Township, Renville County, Minnesota to the late Carl and Hulda (Jensen) Jensen along with her twin sister Vi. She met Gustav 'Gus' Mohr while working in Markville, MN and was later united in marriage to him on December 14, 1938. The couple moved to Randall where they built their home along with a gas station that they operated for many years. Vernie later worked at Gosch's Store in Randall and was also employed at the Randall Post Office for 22 years. Upon retirement they resided on Lake Alexander for several years and in 2001 Vernie and Gus moved to Little Falls. In her free time she enjoyed crafts, such as sewing, crocheting, and ceramics. Vernie was also an avid gardener and truly loved watching the hummingbirds and goldfinches that would visit her bird feeders. Vernie was a wonderful cook and always had homemade treats when you stopped by. Vernie enjoyed dancing and socializing with family and friends. She enjoyed making others happy by remembering their birthdays, anniversaries and special events in their lives. While living in Fairbanks, Alaska in the early 1950's Vernie learned how to decorate cakes and she took textile painting classes. She was a member of Bethany Lutheran Church in Cushing for 45 years and she participated in many church projects, events, and groups throughout her lifetime. Vernie was dearly loved and will be greatly missed. “ To the Mohr family;
Vernie and Gus were very special people to us. We lived by them both on the farm and the lake.
We shared many laughs, dinners and just working with Gus and then sharing lunch with them. Vernie was such a breath of fresh air when you were around her. She will be sadly missed by all.
May God Bless you and your family.##imported-begin##Mike and Karen Indre##imported-end##

“ To the family of Aunt Vernie(mom). God bless you all in this most
difficult time. She was a very super person and we all thought a lot
about her. We will miss her Christmas card we got each year. It was
always fun to go to the farm too, even though we didn't get there
often. Take care, wish we could be with you all.##imported-

“ Dear Raine, Dad & family,

I'm so sorry for your loss. I so loved Grandma & have many wonderful memories of this precious woman! We had so much fun going to the farm during the summer while we were growing up, always a new adventure! Grandma always took everything in stride & nothing seemed to faze her, even the woodtick crawling in my ear while we were driving down the road ~ she just calmly pulled over & got it! She was an amazing woman that could do most anything! I still have the little mailbox ornament that hangs on my tree each year ~ reminding me of my Grandma whom I love dearly. I cherish all the memories. Praying for comfort & peace, Sally##imported-begin##Sally Pierone##imported-end##

“ Dear Raine, Larry and family,

There is no loss like the loss of a mom! Your mother was a treasure of wisdom, strength, and kindness. She was a great example and encouraging presence in my life and the lives of my children for over forty years. I will miss her cards, letters, and phone calls, but happy to know I will see her again!

I loved your mom and dad. Their kindness to me and my children will never be forgotten.

May your heart be comforted and your burden lifted and may God give you His peace and strength for the days ahead.

What a reunion there will be in Heaven!

Love, Naomi##imported-begin##Naomi Mohr##imported-end##

“ Auntie Vernie and Uncle Gus were my mentors. Teaching me that a God fearing, hard working, ethical life can be full of wonderful times and deep family love. I learned what "sticking by your man" really meant from this woman. She needed to be with Uncle Gus for Valentine's Day. God Bless her good, good soul. I will miss her voice and wonderful letters deeply. I know my mom was there to greet her in that "Mansion on High". Ready for a full game of "Wist"! (sp?) These molds of our "Old Guard" can not be replaced. They "gave" us "gifts" to share with our children and grandchildren that never cost a penny but are worth more than all the gold on Earth. Peace...peace...##imported-begin##Kathy (Pierce) Quilici##imported-end##
