*I always thought you had the best job, Uncle Victor, as you worked in a store that had Christmas toys and you could walk to and from your job! Your smile and hugs will be missed dearly.

*Dear Boser Family, My deepest sympathies to you all. My memory of your dad is how he had such a "gentle spirit" about him. Mary Ann remember when we would walk downtown and he would let us go in the basement of Jetka's and play with the toys? It is so hard to say good bye...I was so jealous of that little camper...you guys got to go camping on the weekends and have so much fun. I did enjoy camping out in it in the back yard though. Lots of great memories will surface as you all gather and reminisce and celebrate this good man. May those memories help to bring you peace. Give that cute mom of yours a big hug from me. Thoughts and Prayers for you all.  
Peace and Blessings!!*
