“ *Dear Cousins,
I am sorry I will not be able to attend Aunt Tory's celebration of life.
It makes me smile when I remember her stories of her dance line.
Please know I will be with you in thoughts on Thursday. Hugs to all of you.
Love, Wanda*

“ *I remember living next to and growing up by "Mrs. Wagner". She always made me feel a part of the family. I will never forget being there for lunch and she asked if I wanted some "nettles".... I thought you eat weeds? She said try them.... I did and they weren't to bad. She said you have to only pick the real little ones. Good advice. It was a sad day when the family moved north but she always had a few minutes to talk whenever she was back in the area. God's peace to the whole family. She was one classy lady with a beautiful heart.*
