“ We wanted to tell you we were sorry we couldn't make it to your dad's funeral today. Warren was such a great friend to my dad over the years, and to my mom as well after Dad died. He will be missed.

“ To Stephen, Bryan and Gordon, we are sad to know that your father has died. I spoke to him just the other night and he shared how worried he was about your Mom and you "boys." His devotion to your Mom in these last years has been heart-warming and showed his true character. We hope your good memories will help lift you up as you grieve for your Dad and think about what is best for your Mom. You are in our thoughts.##imported-begin##Vince and Susan De Simone##imported-end##

So sorry to read about your Dads passing. Oh such good memories I have of the days when you boys were in school. We are already in AZ or we would be there. Give a hug to your Mom.

“ *First memory I have of Warren (Junkman) Jones is from when we were neighbors in Richfield, MN, which is an appropriate name since what I remember is "The Jones" garden, especially the eating of carrots and rhubarb right out of the ground. I was just a few years old at the time.*

*A more recent memory, though still quite a while ago, was canoeing in the Boundary Waters along with Steven and Gordan. As I recall, the fish left us alone for the most part.*

*Thank's Warren for the memories...##imported-begin##Larry
