“ Thank you for all that shared in my father's life. I will always remember how he loved his family, friends and life. My father was one of my best friends and one of my biggest supporters. My family and I appreciate all of you keeping the spirit of my father alive through all of those stories. He was certainly taken from us far too soon.

Even though you are gone, you will always be in our hearts and we will never forget you. We love you.

“ Dear Family of 'Pete",
I am sorry for your loss of Pete...too soon. I went to grade and high school with Pete and found him sensitive but strong, sometimes abit reckless/daring, but kind and caring. I also had the privilege of working with his Mom who was also a good friend of my mother. All together now in peace.
