“ Dear Hatlestad family: I have known Wes for many years, but only through barbershopping, having sung with him on shows with the Salty Dogs and listening to him. What a gem of a man he was, and he will be missed. I will always remember Wes singing "Playing Right Field", but I know he will be remembered for much more than that. The streets of heaven just became a happier place!

“ Pat and Family,

You have our sincere sympathy in your profound loss. Wes had a wonderful way of touching people. We remembered how he sang so wonderfully at Beth's Uncle John Berre's service years ago. Prayers for peace for all of you. Arlen and Beth (Hamner) Gorden

“ *Pat, Kirk, Kevin, Kara and all the rest of Wes' great and wonderful family,*

So sorry to hear this sad news. Wes seemed so permanent. He was the best to so many, even the rowdy lake neighbor up the hill. No one could ever care more for or be more proud of his family than Wes was. I can't even begin to imagine all the Wes stories that will be told and retold. His memory lives on even as he smiles down upon you and all the G'kids from a well deserved, special perch.

Wes, thanks for all the good times, stories, laughs (and, the very occasional, but well placed grumpiness). You were a very special and one-of-a-kind friend.
