“ *My prayers are with the whole family. I always loved an Uncle Willie visit even though they were few. He was always so funny, and I loved his smile. Go be with Pop (Alvin) now. I could never get over how much you and Pop looked alike. Aunt Mary, you and the boys are in my thoughts. Remember all the good memories you have all made together through the years. He will be greatly missed.*

“ *Uncle Willie was my favorite Uncle. I remember as a child he always loved to tease me. He made it a point when he and Dad (Alvin) were in off the trucks we would play catch. I would visit him in Little Falls and first thing we would do is take the yellow convertible out for a spin and stop and get ice cream. I will never ever forget you Uncle Willie. You were my link to Dad. You looked just like him and sounded just like him. Gone but never forgotten. Love you Uncle Willie. I will keep the family in my thoughts and prayers.*
