“Daddy, your special day went very well! I shared with everyone how God prepared me for your passing. How you prepared me for "your" passing in the previous weeks before your new life with the Lord. Everyone needs to listen to the clues that your loved one are sending. I know in my heart that you are very happy and with Chloe. The great granddaughter that you never met. Her life was very short only 3 months. Now you and Grandma Marge, Grandpa Larry and all can enjoy her. Someday I will be there also and we will all be together. I also shared with everyone how my children gave you the nickname "Turkey Papa" Many others stood as they gave there funny stories about you. You had a special gift in your own way to make people laugh. I'm so glad that you passed that trait onto me. I will carry on to bring laughter and joy to everyone! I know it wasn't the family reunion that you wanted but all the same everyone was there. I know you were there also and smiling down at everyone, with a warm heart.

Give Chloe, Marge and Larry a kiss from me.

I WILL MISS YOU ALOT!

Lots of Love,

Julie
