“ *My dad maintained the trails at Kathio and, in the winter, he would groom the snowmobile trails. I remember going out in the groomer with him and my bestie Becky and grooming the trails in the middle of the night after a big snow storm...what an adventure!*

“ you guys were awesome neighbors YEARS ago - your patience with that dang goat "Billy Jack" and your love and support has never been forgotten. I still remember High School Jan and the "crush" you had on Bill. I am so happy that you two had such a wonderful life. AND I am so sorry you had to join the sisterhood of widows - NEVER would I have wished this on you my friend. Always remember the good things - I love your loyal friendship and your awesome smile. Bill would want you to remember the good times and know that he is waiting for you. Love you so much Janet - my deepest condolence to you and Billie Jo
