“ Was just listening to a folk group. Among their songs was *The City of New Orleans*". My mind instantly called up riding a box car from New Orleans with Byl. It was a great excursion with a great guy. No one was ever like him.

“ *I just learned of Bill's passing. Bill was a classmate of mine at Colgate University. He was a wonderful guy and won fame as the captain of the College Quiz Bowl team that won the National Championship in 1960. I was sorry that he wasn't able to make it back for our 50 Reunion in 2011, when we played the video of the Championship game. My condolences to his family.*

“ Both my wife and I had Bill as a teacher, and we developed a friendship with him after law school. Bill had a wonderful sense of humor, and was very talented in many different facets of his life. He will most certainly be missed by us. May his soul, and the souls of all the faithfully departed, rest in peace.

“ In a great example of Jungian synchronicity, which Bill truly believed in, I called today, November 22, 2019, to wish him a happy birthday. Bill was a dear and true friend to me and my husband Mike for over 40 years. I appreciated his innate curiosity and intelligence, as well as his enthusiasm for life, his humor and his love of music. My thoughts are with Bill and his family today. May his memory be a blessing for all who knew and loved him. Rest in peace, my friend.

“ He was an interesting man and an excellent teacher. I am so glad that one of his law students, Father Brown, is the funeral officiant. It is fitting to be laid to rest by a lawyer.

“ We loved Bill! He was a great friend and neighbor of my Dads at St. Ottos. I enjoyed talking with him each time I was up there. He always made me and my daughter laugh. I loved seeing his drawings too. I will miss him terribly. Rest in peace my dear friend. So glad I met you. Love, Ann Marie Zimmermann
