“ We extend our sincere condolences to the entire Johannes family. When we lose someone we love in death it fills our hearts with pain that can be hard to bear. But in this difficult time may you find strength in God's promise that one day we can be reunited with our loved ones by means of a resurrection and that this "enemy death" will be "brought to nothing". - John 5:28,29; 1Corinthians 15:26 May this precious hope that awaits us and your treasure memories bring you measure of comfort now and in the days ahead.
